

Careers at Infield

Infield Systems Limited - "The Energy Analysts"

Infield Systems is an independent energy research and analysis firm that is dedicated to the provision of accurate and up-to-date data, market reports, mapping, analysis and forecasts for the offshore oil and gas and associated marine industries. Infield Systems also prepares market due diligence on mergers, acquisitions and transactions for clients in the energy industry. Infield services clients in over 40 countries, including E&P companies, contractors, manufacturers, government agencies and financial institutions, and is widely acknowledged as the definitive independent source for information, research and analysis on the offshore energy sector.

Current Strategy

Infield is actively expanding its business operations within the energy sector and is thus strengthening its capabilities and levels of expertise. Infield Systems Limited is therefore seeking highly motivated individuals - from recent graduates to those with a number of years of industry experience - for opportunities in London, Aberdeen, Houston, New York and Singapore.
